

WHAT ELSE SHOULD I KNOW?

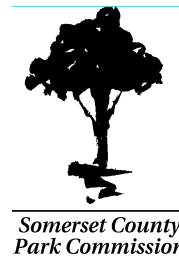

MAKE-UP LESSONS There are no make-up lessons unless Lord Stirling Stable postpones them. These postponed lessons are usually held during the week/weeks following the regularly scheduled session. Exceptions include adult 5-week classes, which count the first 5 weeks that the class actually meets. Students registered for the second 5 weeks of the session should call to confirm the start date of the class.

REFUNDS The Somerset County Park Commission will refund program fees if notified within seven days prior to the start of the program. Refund requests made after that will be issued only if the vacancy is filled by another participant. No refunds or credits will be given for individual missed classes in a lesson session or multi-day program. If the program requirements are not commensurate with the abilities of the registrant, a refund for the program will be issued. If a program is cancelled by the Somerset County Park Commission, a full refund or credit will be issued as quickly as possible.

RIDING TIME To ensure that you (and the other members of your class) receive the full hour of riding instruction, it is requested that riders be in the barn ready to ride at least 15 minutes BEFORE the class is scheduled to start. **Horses will not be handed out to any student who arrives in the barn beyond the start of the scheduled class time.**

INSTRUCTOR OBJECTIVES Lord Stirling Stable's intent is for all students to learn to ride and advance as quickly as their individual ability allows, and to have fun. Our primary concern is always the safety of the rider and horse.

PROGRESSING TO NEXT RIDING LEVEL Riders must consistently show their instructor they can meet all the goals for their riding level before advancing to the next level. Riders must also be present and on time for seven out of their ten classes in order to be considered for advancement.

ABOUT OUR LESSONS

Lord Stirling Stable offers both group classes and private/semi-private lessons.

We teach “Balanced Seat” English Saddle riding to Juniors (age 9-17) and Adults from Beginner (never ridden before) through Advanced (jumping) levels.

Junior riding levels start at D-1 (basic beginner) through AAAA (advanced jumping).

Adult riding levels start at Beginner 1 (basic beginner) through Advanced 4 (advanced jumping).

Other classes include Western, Drill, Flat/Advanced Flat (non-jumping), Games, Trail, Returning Rider, and various take-it-easy classes for riders who are less adventurous or who want to build confidence.

Lord Stirling Stable has 2 outdoor rings, an outdoor jumping ring, a jumping field, and a large indoor ring. All lessons are held in the indoor ring during the winter sessions and also during inclement weather.

WHEN ARE LESSONS HELD?

Group classes are held in 10 week sessions, beginning in January, March, June, and September. Adults at Beginner 2 level and above may also register for just the first five or last five weeks of a 10 week session.

Junior classes are offered at 4:30pm and 5:30pm Monday through Friday (some evening classes may be available), and during the day Saturdays.

Adult classes are offered during the day and in the evenings Monday through Friday, and during the day Saturday.

The tentative schedule (day/time) for each riding level will be available at the stable office and online one week prior to the registration date of each session.

Private lessons are offered during the weeks that group classes are being held. The days/times when private lessons can be scheduled will be available about two weeks after group classes begin.

Classes may be cancelled if there is not adequate enrollment.

WHO CAN RIDE?*

Juniors must be at least 9 years old.

Riders must weigh less than 200 pounds for jumping classes and less than 225 for all other classes. All riders are weighed the first time they ride at Lord Stirling and each January to ensure that they are matched with appropriate horses.

Somerset County Park Commission welcomes everyone to participate in its programs and facilities regardless of race, color, gender, disability, age, sexual orientation, national origin, or religious or political affiliation. If you have any individualized needs due to a disability, please call the Therapeutic Recreation Department at 908-526-5650 and we will be happy to arrange reasonable modification. Two weeks' notice is required to ensure that appropriate modification can be provided.

TESTING AND EQUIPMENT

TESTING Riders new to Lord Stirling who can post the trot may make an appointment to determine their riding level according to our level goals so they may be placed in a class where they will be safe, have fun, and learn more about riding. Test forms are available in the stable office or online at

www.somersetcountyparks.org/forms/LSS_RIDER%20EVALUATION%20FORM.PDF

EQUIPMENT All riders are required to wear an English riding helmet that meets ASTM/SEI standards and boots or shoes having a smooth, hard sole and a definite heel. Sneaker type riding shoes are acceptable. Riding helmets and boots may be rented at the stable by individual lesson or by the ten week session.

For safety and insurance reasons, Junior riders are required to wear breeches or jodhpurs (English style riding pants) while taking lessons. Junior beginners (D-1) are required to have riding pants by at least the second lesson. There are some pairs in the stable office which may be borrowed if riders forget their own.
